Pete's Dueling Piano Bar

TD 09.22.2009

Town Square Las Vegas This November

Pete's Dueling Piano Bar becomes Las Vegas' premiere source for nightly singing, laughing, dancing and infectious dueling piano excitement when it opens at Town Square Las Vegas on Friday, Nov. 13, 2009.

Pete's Dueling Piano Bar brings nightly celebrations and unparalleled entertainment and energy to Town Square Las Vegas this November. Each night, four of the best piano entertainers in the country take the stage in two-person rotations to perform hits from every era imaginable on two baby grand pianos. In addition, all four players join together on stage multiple times throughout the evening to work the room into a frenzy, showing off their incredible talents with more instruments and more energy.

At Pete's, everyone is part of the entertainment. Several times each evening during what is known simply as "Showtime", the spotlight turns to the waitresses and bar staff of Pete's as they dance, sing and clap along with the audience.
