COVID-19 PROTOCOL

Valued patrons – our staff is taking the health and safety of our customers, patrons, visitors, friends and family seriously. Prior to entering our facility, please carefully read and review this notice. In addition, we recommend that, prior to entering our facility, all of our patrons and visitors read and understand (i) the minimum standard health protocols recommended by the Texas Department of State Health Services (“DSHS”) (which can be found at www.dshs.texas.gov/coronavirus), and (ii) the guidelines from the Center for Disease Control and Prevention (“CDC”) (which can be found at www.cdc.gov/coronavirus/2019-ncov/index.html).

BY ENTERING OUR FACILITY, YOU ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTAND THIS NOTICE AND THE PROTOCOLS AND GUIDELINES PROVIDED BY THE DSHS AND CDC, AND THAT YOU WILL, TO THE BEST OF YOUR EFFORTS, FOLLOW THE PROTOCOLS DETAILED BELOW.

Below is a non-exhaustive list of the efforts we are taking to operate our facility in a safe manner:

- Hygiene and social distancing reminder-signage throughout our facility (i.e., this notice).
- Pursuant to the Governor Greg Abbott’s order dated May 18th, 2020, we will be conducting a head count of all who enter the facility to limit capacity to 25%.
- Cleaning of our facility, equipment, inventory, and all frequent contact areas.
- Hand washing, proper hydration and social distancing is encouraged whenever possible.

Protocol for our patrons and visitors:

- We ask that all of our patrons and visitors self-check for any symptoms of any illness. If you have any signs of illness, or know that you have been exposed to anyone with Covid-19 or who has similar symptoms of the illness, please be responsible and stay home.
- When possible, please practice social distancing in accordance with the DSHS and CDC protocols and guidelines;
- Personal protective equipment, such as masks, are optional for our patrons and visitors, however, the use of such protective equipment is encouraged.
- Please wash your hands regularly in accordance with DSHS and CDC protocols and guidelines.
- If you must cough or sneeze, please do so into your elbow.

Protocol for our staff:

- Staff must conduct a self-check prior to starting any shift.
- Staff must, to the best of their ability, practice social distancing.
- Hand washing upon entry to the facility, and regularly throughout any shift, is required. Handwashing must be conducted in compliance with the DSHS and CDC protocols and guidelines.

We reserve the right to ask any individual within the facility to leave if such individual is jeopardizing the health and safety of our patrons, visitors or staff.
